## Nice hotel

Nice hotel with strategic locations, surrounding by various of restaurants. Clean environment, big size bed and nice room service. If you love to drink beer, the surrounding bars could be your any of choice selection. Few convenient stores are there, eg Family Mart, My news, Cu stores, as well as Coffee Bean and Starbucks. All are within walking distance.

Overall it is a nice stay there.

## Guests come first in the Iconic Hotel!

I am in Prai for business on the regular basis and Iconic Hotel is my 'go-to' Hotel. Their service is par excellence! From my check-in to the room facilities, breakfast and check-out is designed to make my stay as comfortable as possible! Any requests is attended to immediately. They seem to understand that business travels can be stressful, so the stay in the Iconic is made as comfortable as possible. Truly reliable service. Congrats to the Iconic team! ## Comfortable Experience

This is my second time staying at Iconic Hotel

- Easily accessible as it's closely located to Juru Toll plaza/Penang Bridge
- On-site parking, although it's cashless parking, hotel guests can validate the card upon check out (meanwhile in/out of parking using room key card)
- Service remains friendly and satisfactory, the bed and pillow is extremely comfortable!!

Also ample food choices within walking distance, very convenient
